

Kirby did an amazing job at our wedding. I am very impressed how professional he is, especially for his age. He checked in regularly with us to ensure that everything was going well and to see if we had any requests. He also responded very quickly when a guest had a song request. I received many compliments from the guests at our wedding. ^{→ about Kirby.} If we ever have ~~any~~ another event in Reno, I would not hesitate to call and request Kirby as our DJ!

Thank you for helping make this day perfect!!
